Dear Folks,

Chino Squadron 20 and March Field Squadron 45 are planning an Aerospace Education/ES Day at the Riverside Airport. As part of the AE activities, we are planning on having O-Rides for cadets. Currently I have 4 aircraft coming to help out and I'm hoping for more! There will be aerospace demonstrations, movies, and activities hosted by various AE instructors. General introduction into ES Opportunities for cadets and chances obtain GES cards for eligible members will also be available.

As a reminder, the last time we did this activity cadets participated in O-Rides, AE Classes and responded to a real mission where a crashed plane was located. I cannot encourage participation enough!! It's promised to be a great time for all.

**Dates and Times:**

Sunday, 20 March 2011 from 0800 to 1700

**Uniform:**

BDU's for cadets, Flight-suits/appropriate uniform for Seniors.

**Application Procedure for the AE/ES Day:**

**Orientation Flight Procedures:**

Orientation Flights will be assigned with focus on 1st flights. Preference will

be given to cadets who submit CAPF150's which will allow us to ensure proper planning. We will fly as much as we can, based upon funding, availability of aircraft and time.

Please give this notice the widest of distribution to ensure MAXIMUM participation. Every effort will be made to fly all participating cadets based on aircraft and pilot availability.

If you have any questions, please don't hesitate to contact me.

**SPECIAL NOTE: All MEMBERS MUST HAVE CURRENT SAFETY TRAINING TO PARTICIPATE. ANY MEMBER WHO DOES NOT HAVE A PROPER UNIFORM, CURRENT SAFETY EDUCATION AND ID CARD WILL NOT BE PERMITTED TO PARTICIPATE IN ACTIVITIES.**
